SOS can offer

LABELLING

Small and large quantities can be done with ultra-fast turnaround at the S.O.S warehouse. As our name suggests S.O.S is predominantly turning over jobs within just a few days. No job is too small or large. Mobile labelling is available at your site – ask us what requirements are necessary.

STORAGE

We offer insulated, 24 hour security monitored storage with on-line ordering and up to the minute stock listings. Physical stock takes are conducted continuously and security is ensured with surveillance cameras inside and out.

PICKING

From one bottle to many cartons or pallets, same day carton dispatching, mixed carton picking for direct mail orders, sales campaigns, journalist samples, wine show entries, international dispatching, capped price mixed pallet picking and container packing.

PRODUCTION MANAGEMENT

We can manage your wine from tank or barrel to the finished product; or any stage in between. If you don't have time to do the running around, sit back and let us manage the production for you.

If you would like to know more about any of our services please call **Bel on 08 8244 0255 or 0418 808 886.**
